Still Changing After All These Years

Foreword —

Still Changing After All These Years is the theme for the 1978 AMULET. It symbolizes all we have done in Limestone's existence. Change? Of course. On October 14, 1953, Limestone opened its doors for the first time with an enrollment of 634 students and 33 teachers.

On the first day of school the superintendent, L. D. Murray, announced that there were no rules and rules would have to be created as they were needed. By the end of the day 17 rules had been implemented. The shops were not completed, and shop classes met as study halls. There was no gym floor, and the football team had to shower outside under a garden hose. There was no concrete around the building, and everything was either very dusty or very muddy; and it seemed like there would never be any "in-between." The band room was located where the shops are now, and the cafeteria was located in what is now the girls' P.E. area, lower level. Anyone looking out the window to the west would enjoy a typical rustic scene with only one barn obscuring the horizon.

Due to the late opening there was no Christmas vacation and no Easter vacation that year. The students attended classes every other Saturday from 8:30 to 12:30 to make up lost time and to complete the required number of days. Commencement was held on June 9, 1954.

Currently Limestone's enrollment is 1720, but the size of the student body is not the only change. There have been two building additions to help make the educational and athletic opportunities broader. In spite of all the changes, we're still the same in our laughing, winning, cheering, teaching, learning, creating, and loyalty; but, above all, we are still friends after all these years.

So, the theme for this year's AMULET is not merely a theme but a state of being. Limestone Community High School is still progressing into a much bigger, brighter and better future, producing many fine students, athletes, leaders, and, most of all, fond memories — for the 25th year.

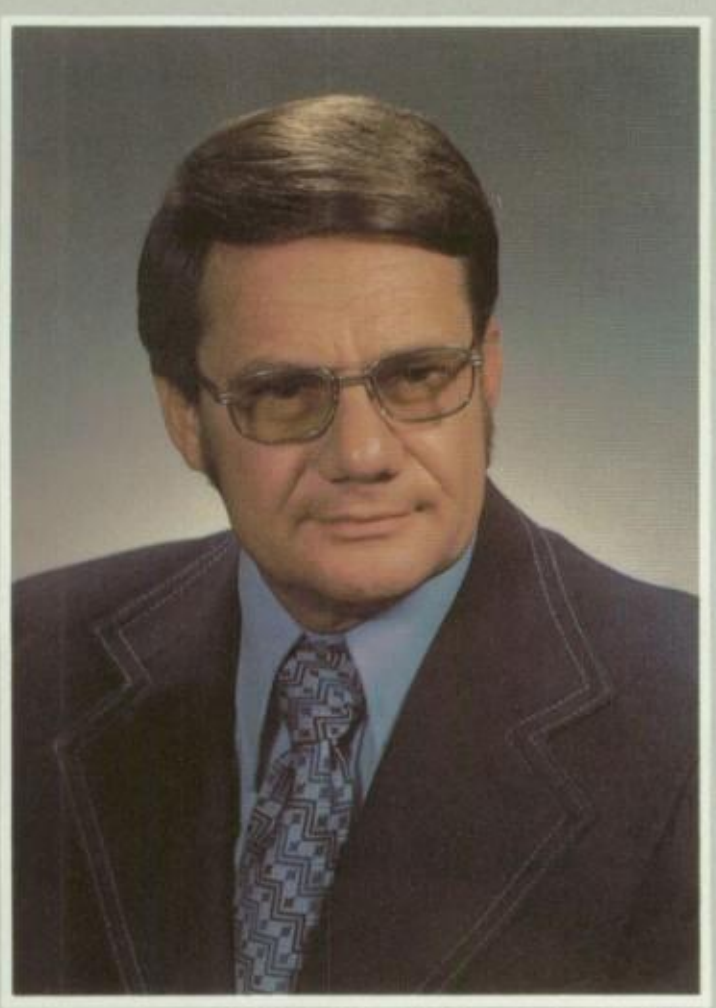
Dedication:
25 Years of Loyal Service

The 1978 AMULET Staff is proud to dedicate this year's Silver Anniversary edition to the seven people who have seen the beginning, the growth and development of Limestone High School. These people have faithfully given their best efforts since the first day Limestone opened its doors.

Everyone — faculty members, secretaries, students, and alumni — wish to express our sincere congratulations and thanks to these people for giving us their wisdom, their experience, and their guidance. With great pride, we dedicate the 1978 Amulet to Mr. McCraith, Mr. Clinton, Mrs. Clinton, Mr. Endsley, Mr. Morse, Miss Rosenbohm, and Mrs. Walker.

MR. McCRAITH

Mr. Joseph McCraith taught woodworking and cabinet making when Limestone first opened its doors. He now teaches woodshop classes, and is past President of the Illinois Woodworking Association.



MR. ENDSLEY

Mr. Norman Endsley started at Limestone as a general business, typing, and Office Machines teacher. He became Dean of Boys, and later, business manager. Now, Mr. Endsley is the superintendent of L.C.H.S.

MR. MORSE

Mr. William Morse started teaching Instrumental Music in 1954, and taught band for many years. He moved to the English department in 1967, and now teaches English for Freshmen, Sophomores, and Juniors.

MR. CLINTON

Mr. Jack Clinton started his career at Limestone teaching general science and Spanish. At one time, he also served as counselor, and now, he is still eagerly teaching Spanish.

MRS. CLINTON

Mrs. Ann Clinton began her years of teaching at Limestone as a Home Economics instructor. At one time, she was the FHA Advisor. Now, she teaches Home Economics and Child Care.

MISS ROSENBOHM

Miss Adeline Rosenbohm started at Limestone as a secretary and still functions in that capacity. She has exerted her talents as secretary to the superintendent for many years and co-ordinates the secretarial staff.

MRS. WALKER

Mrs. Mary Margaret Walker taught English when Limestone first began. She instructed English for Juniors and Seniors in 1963, and teaches English for Freshmen, Sophomores, and Juniors now.

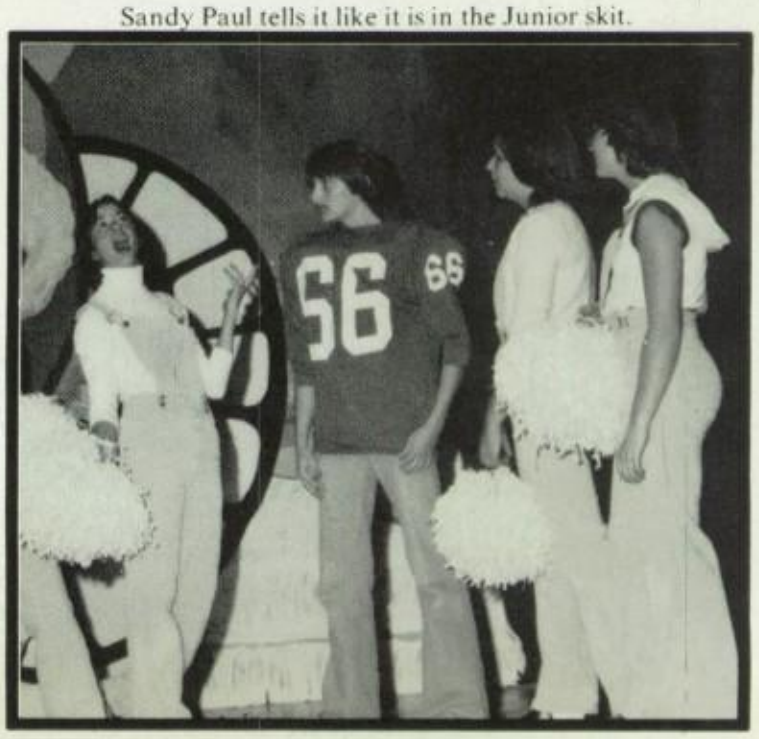
John Grebe and Kim George welcomed the crowd to Limestone's twenty-fifth anniversary Variety show, "Now Playing." The show got off to a great start with the traditional crowning of the Homecoming Queen and her court. Chosen as Homecoming Queen of 1978 was Cami Gablehausen. Representing each of their classes as attendants were Carol Rapp, senior, Penny Wright, junior, Susanne Williams, sophomore, and Tammy Rosa, freshman.

The audience was entertained by many talented groups, all competing for first place in the filler act competition. Awarded first place for their banjo-piano, jazz duet were Carol Rapp and Jay Disney. Tammy Rosa and Michelle Kirk danced their way to second place to the song "Cold As Ice." All groups performing were enjoyed and appreciated by the warm audiences of both the Thursday and Friday night shows.

"Now Playing — Homecoming 1978"

The winning Senior skit featured Mike Parker as King Dumb, and John Csima as Xangston, the evil knight.

Sandy Paul tells it like it is in the Junior skit.



"What a bod!" screams Holly Allinder at Sarah Dave in the Sophomore skit.

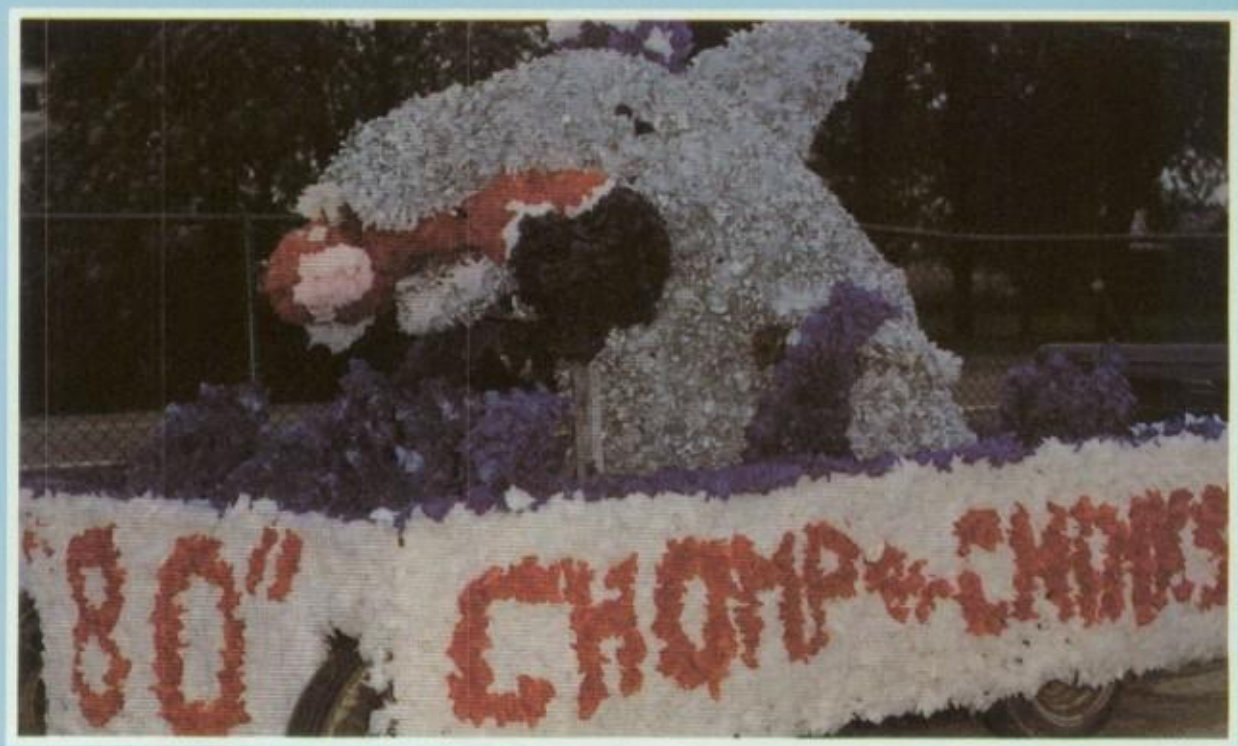
Each of the class skits made good use of the theme by making satires of popular movies and plays. The freshmen got lots of laughs from their skit, "The Bad News Rockets." Scarlet Don't-care-a and Rocket Bumbler starred in the sophomore skit, "Went With the Wind." "Once Upon a Football" set the stage for the juniors, and the winning senior skit was created by the story "Camelot." The JV cheerleaders amused the crowd with their pillow-case costumes, while the Varsity cheerleaders showed that indeed "life is a cabaret!" Then there was the teachers' skit . . . but what can anyone say about the teachers' skit?

Chris Hensley and Sue Alcorn put in a lot of work on the Junior float.

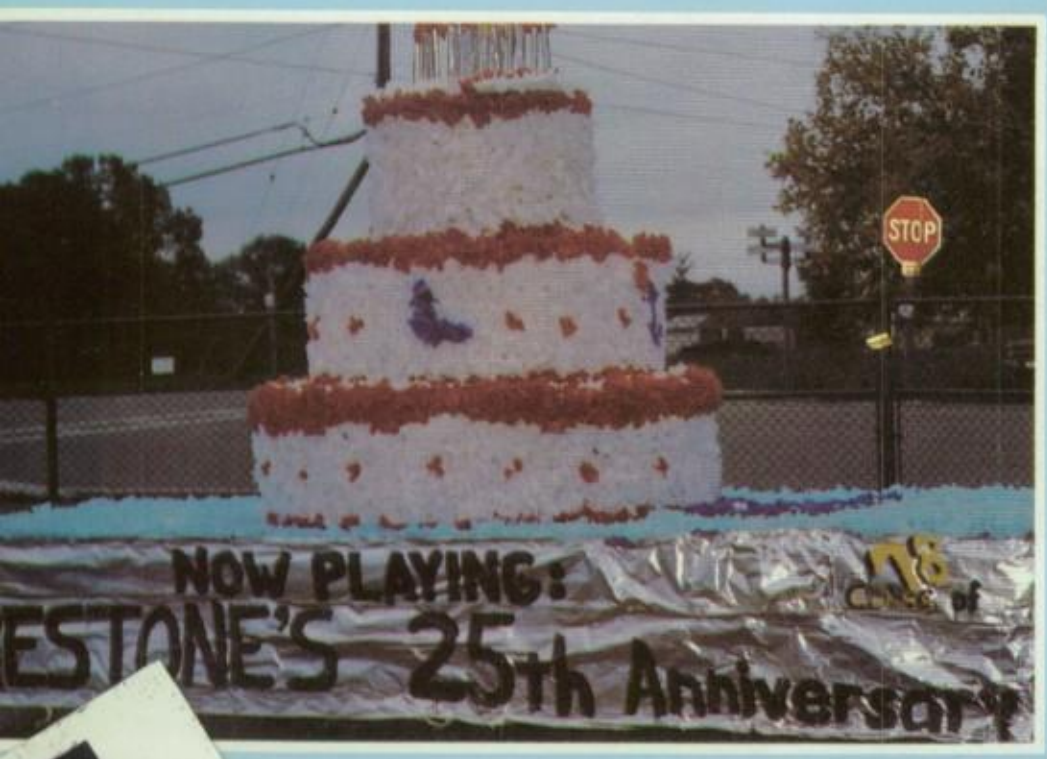
The winning Junior float used imagination in their pumpkin-headed chinks.

Floats Brighten Homecoming Scene!

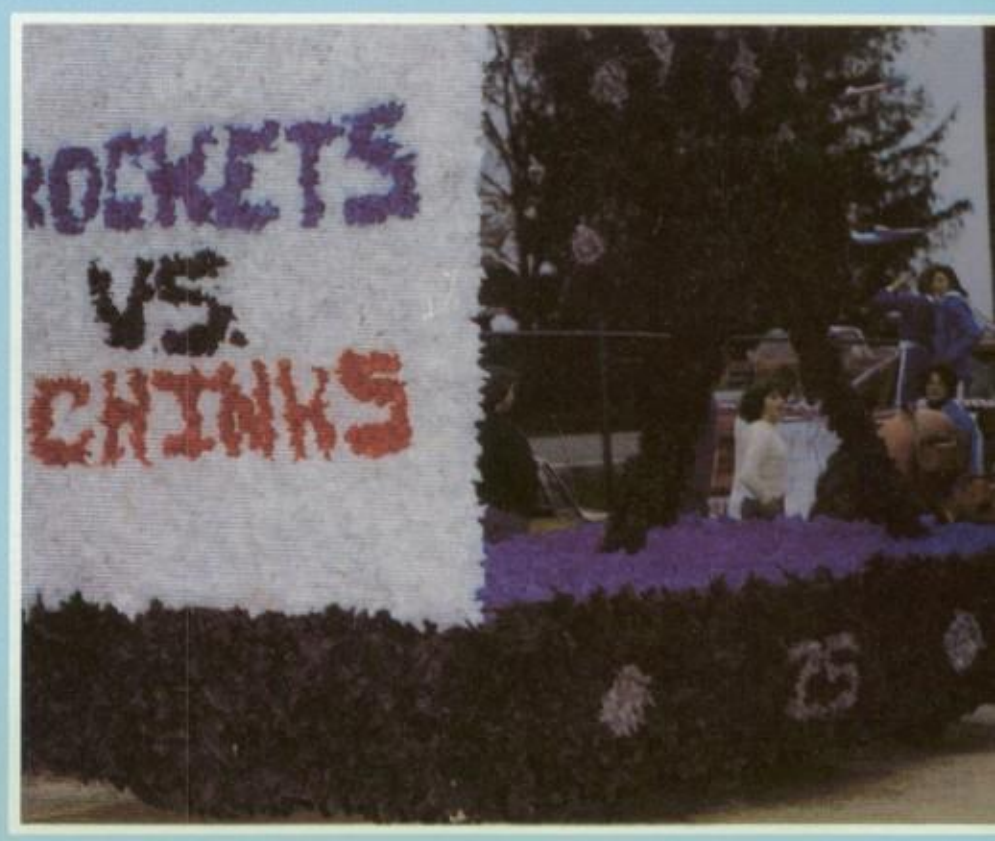
In spite of the rain, the traditional Homecoming parade was held. Featured as always were the class floats, including the first place Junior float. All the hard work and time involved was shown as the parade traveled through Bartonville, enjoyed by all who saw it.



The second place Sophomore float starred Jaws chomping on a Pekin chink.



"Happy Anniversary" to Limestone in their own way on their float.

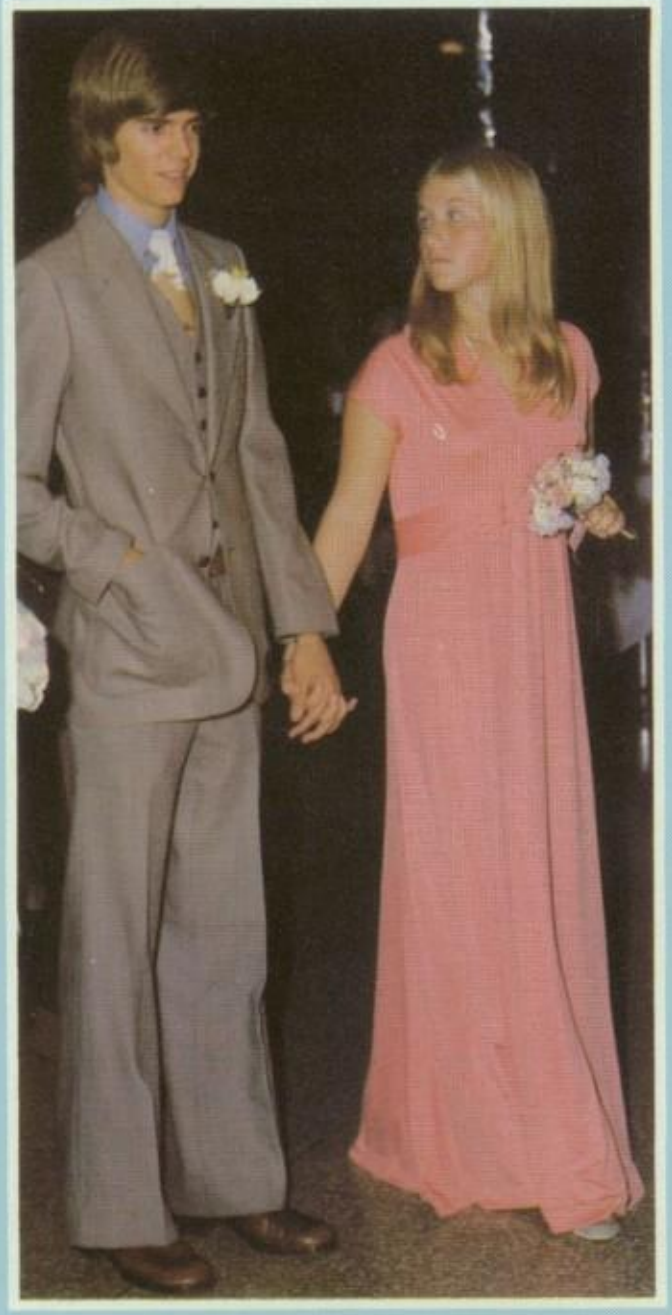


The Freshmen prepare their float for its debut.

'77 Homecoming — "Hot Springs"

Terry Cotton and Donna Geer teach the guys a new step.

Mr. Wassel helped make the Homecoming dance a big success.



Dennis Hatterman and Cathy George enjoyed the dance.

Roger Phegley

The contest to select the most photographic entrant in the Miss Photogenic Contest is based strictly on the appearance of the portrait and does not consider personality or popularity. Only Senior girls are eligible. To insure participation and interest, all of the Senior girls photographed for the AMULET were entered automatically.

This year the judge was Roger Phegley, a Bradley Braves basketball star who holds Bradley's record for most points in a career, highest season average, and highest free throw percentage. Roger comes from East Peoria and has worked for the Jerry Lewis Telethon, Easter Seals Organization, and has held basketball clinics for young athletes and students.

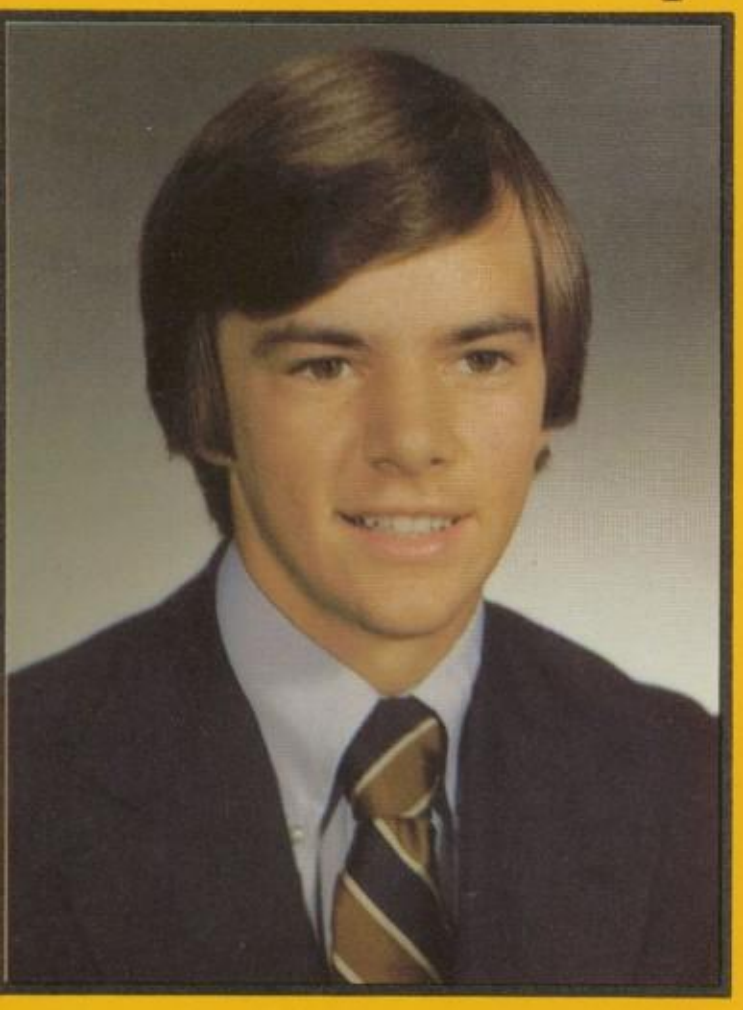
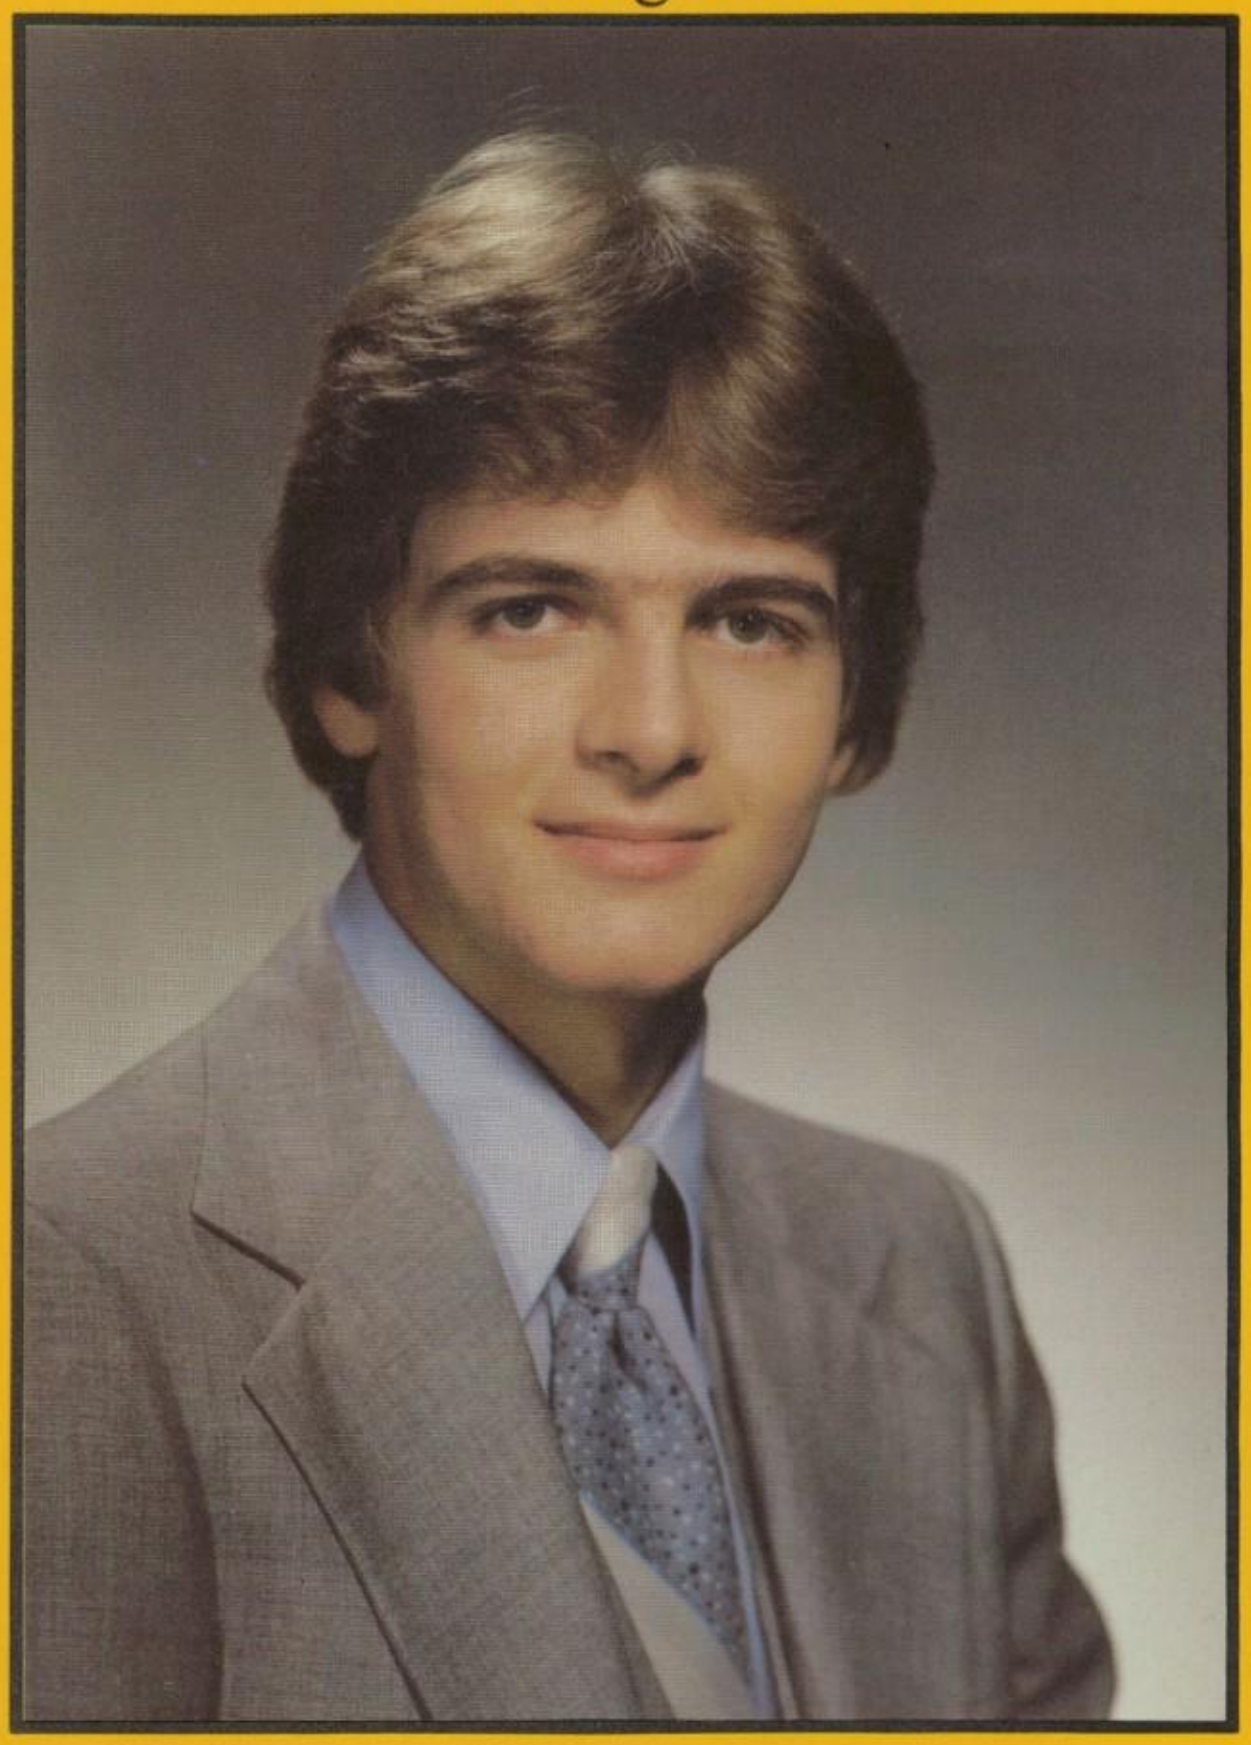
Second Runner-Up



Mr. Kirk Vollmer



Mr. John Csima

As a 25th Anniversary Special Event, the AMULET staff decided to hold a Mr. Photogenic Contest — just so the boys wouldn't feel left out. The rules for the boys were the same as those for the girls. The judge for the Mr. Photogenic contest was WEEK-TV "weather person" Kathy Wyman. Kathy is from Dallas, Texas, where she participated in softball and track. She also traveled with different groups as a singer. In college, she majored in sociology and minored in English. After completing her training, Kathy became a stewardess for American Airlines. She lives in Peoria with her husband who is a pilot and she enjoys spending most of her time with their young daughter, Christy.

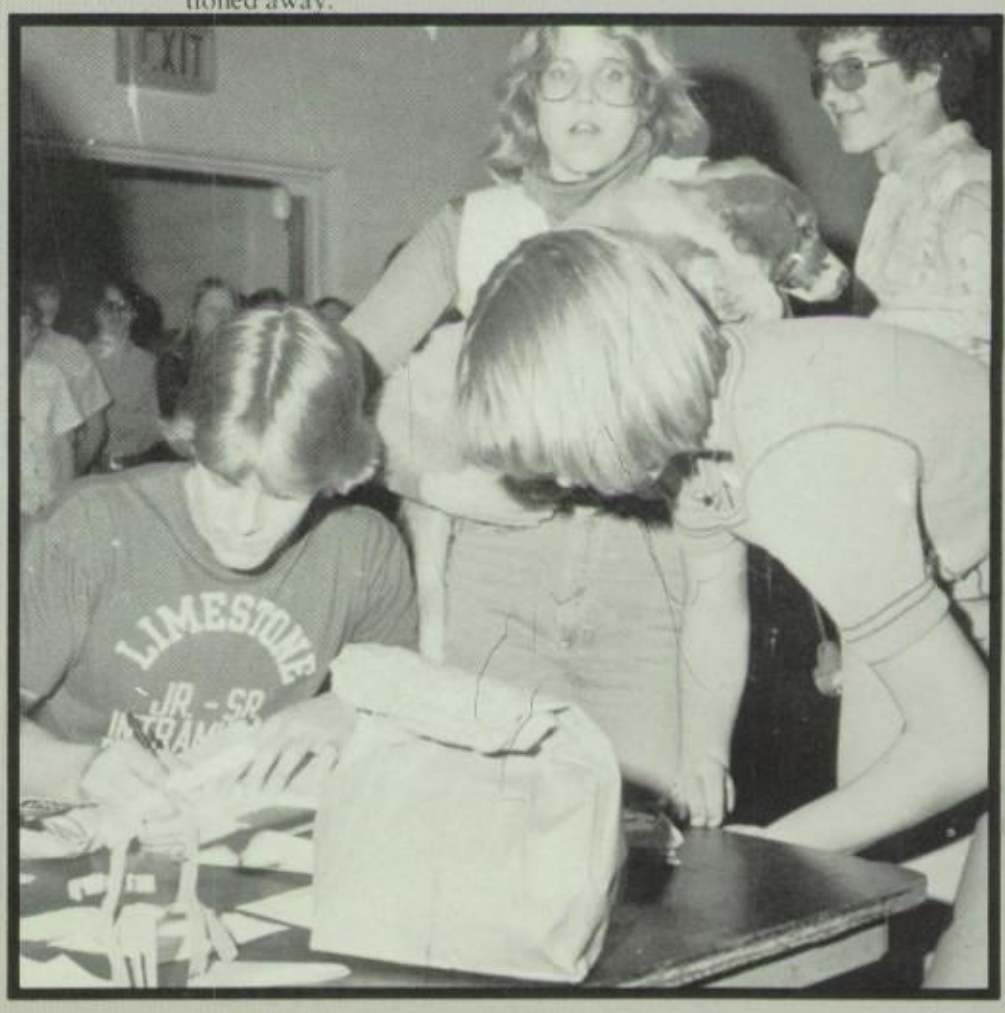
Twirp Week Auction and Dance

A big "thank-you" to the warm-hearted students at the auction.

Mr. Wassel can't look as this adorable puppy is being auctioned away.

"Won't somebody give me a dollar for this fruit?" asked auctioneer Shelly Roberts.



DuWee Engstrom kept the auction moving smoothly.

Could It Be Magic?

Crowned Twirp Kings of 1978 were: Matt Hammond, freshman; Dave Stewart, sophomore; DuWee Engstrom, junior; and John Mammen, senior.

Jeff Harmison gets the "night fever" in his boogie shoes.

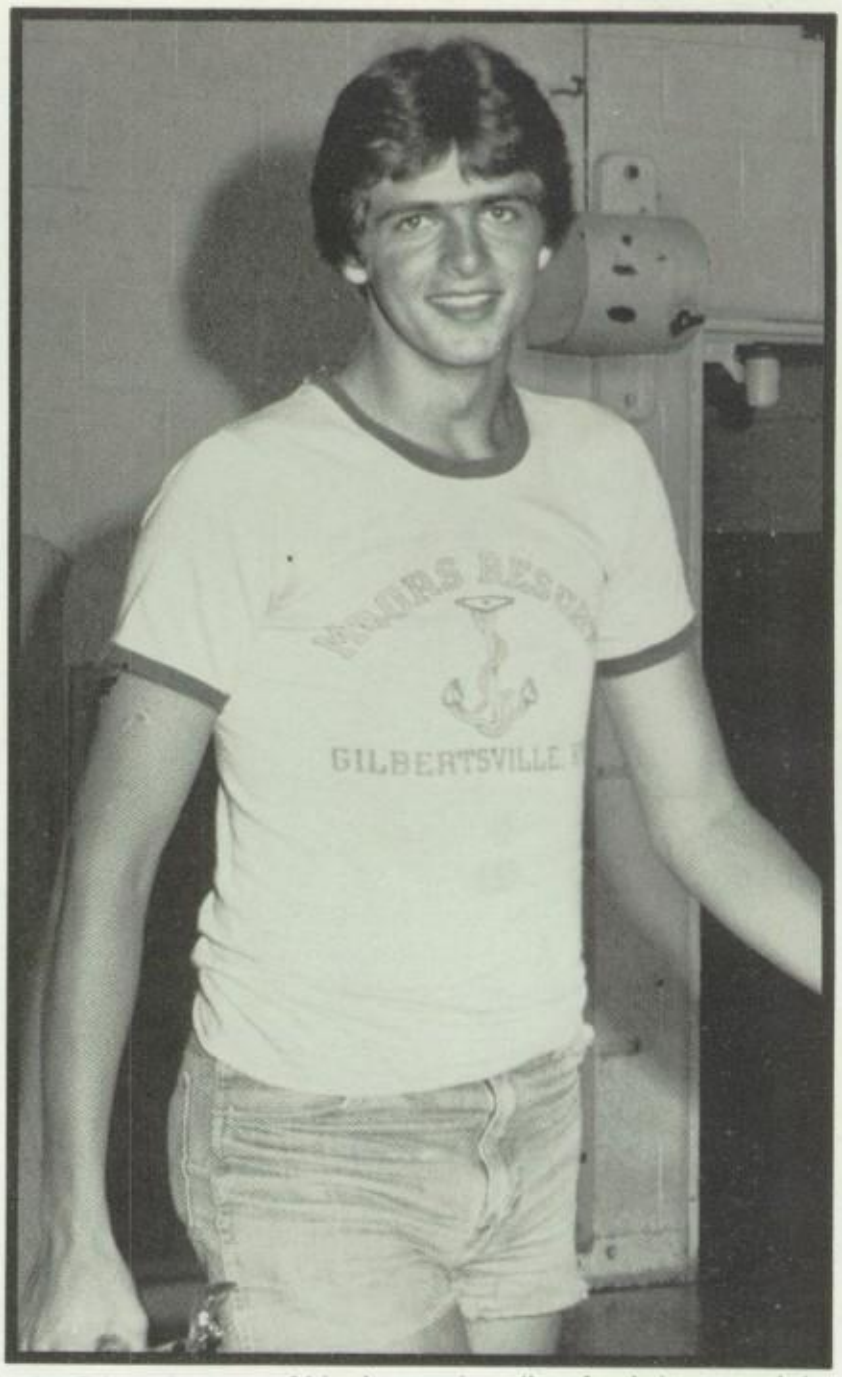
Honors Day: Rewarding

Mr. Morris laughs with Carol Rapp and Jodi Cady. Co-winners of the Best Actress of the Year award.

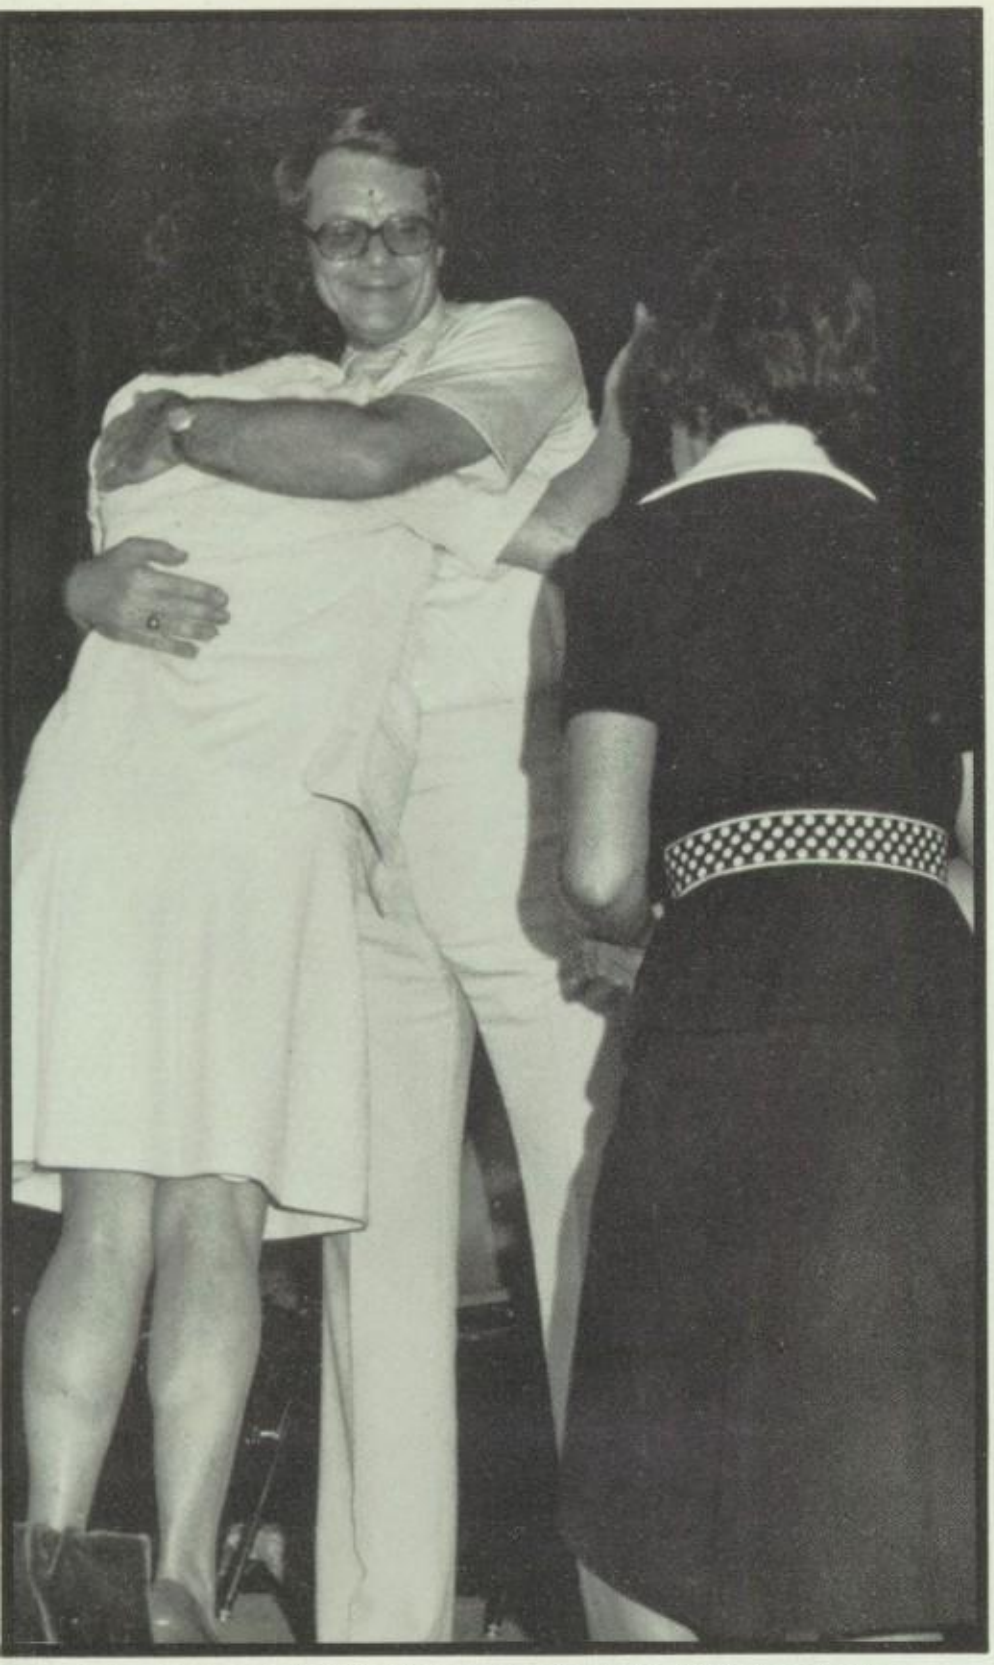


John Csima gives one of his photogenic smiles after being named the first Mr. Photogenic.

Jerry Jacobs received the Tom Griffith Memorial award for the great job he did for the baseball team.

Mr. Kovalik awards the Best Actor of the Year to Jay Disney for his part in Flower Drum Song.

or Achieving

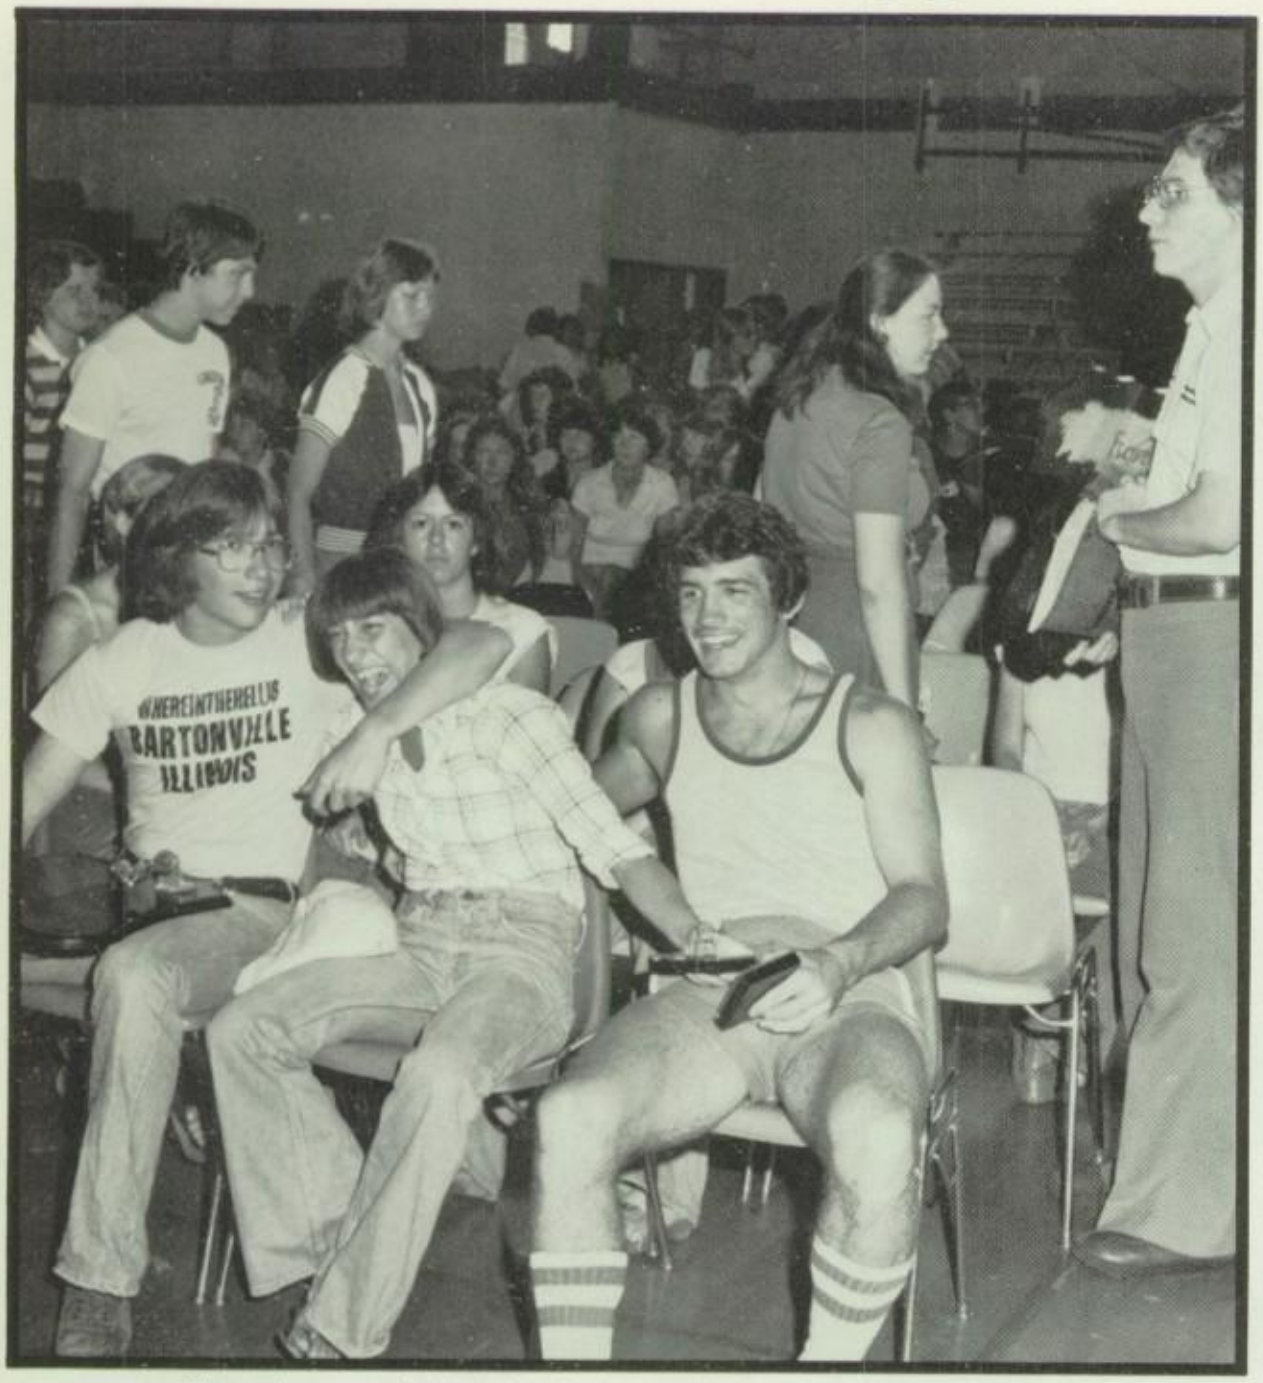


A deep friendship develops from twenty-five years of working together.

Mr. Clinton was busy handing out awards for Spanish, like this one to John Mammen, the Floyd Franz Memorial Award.

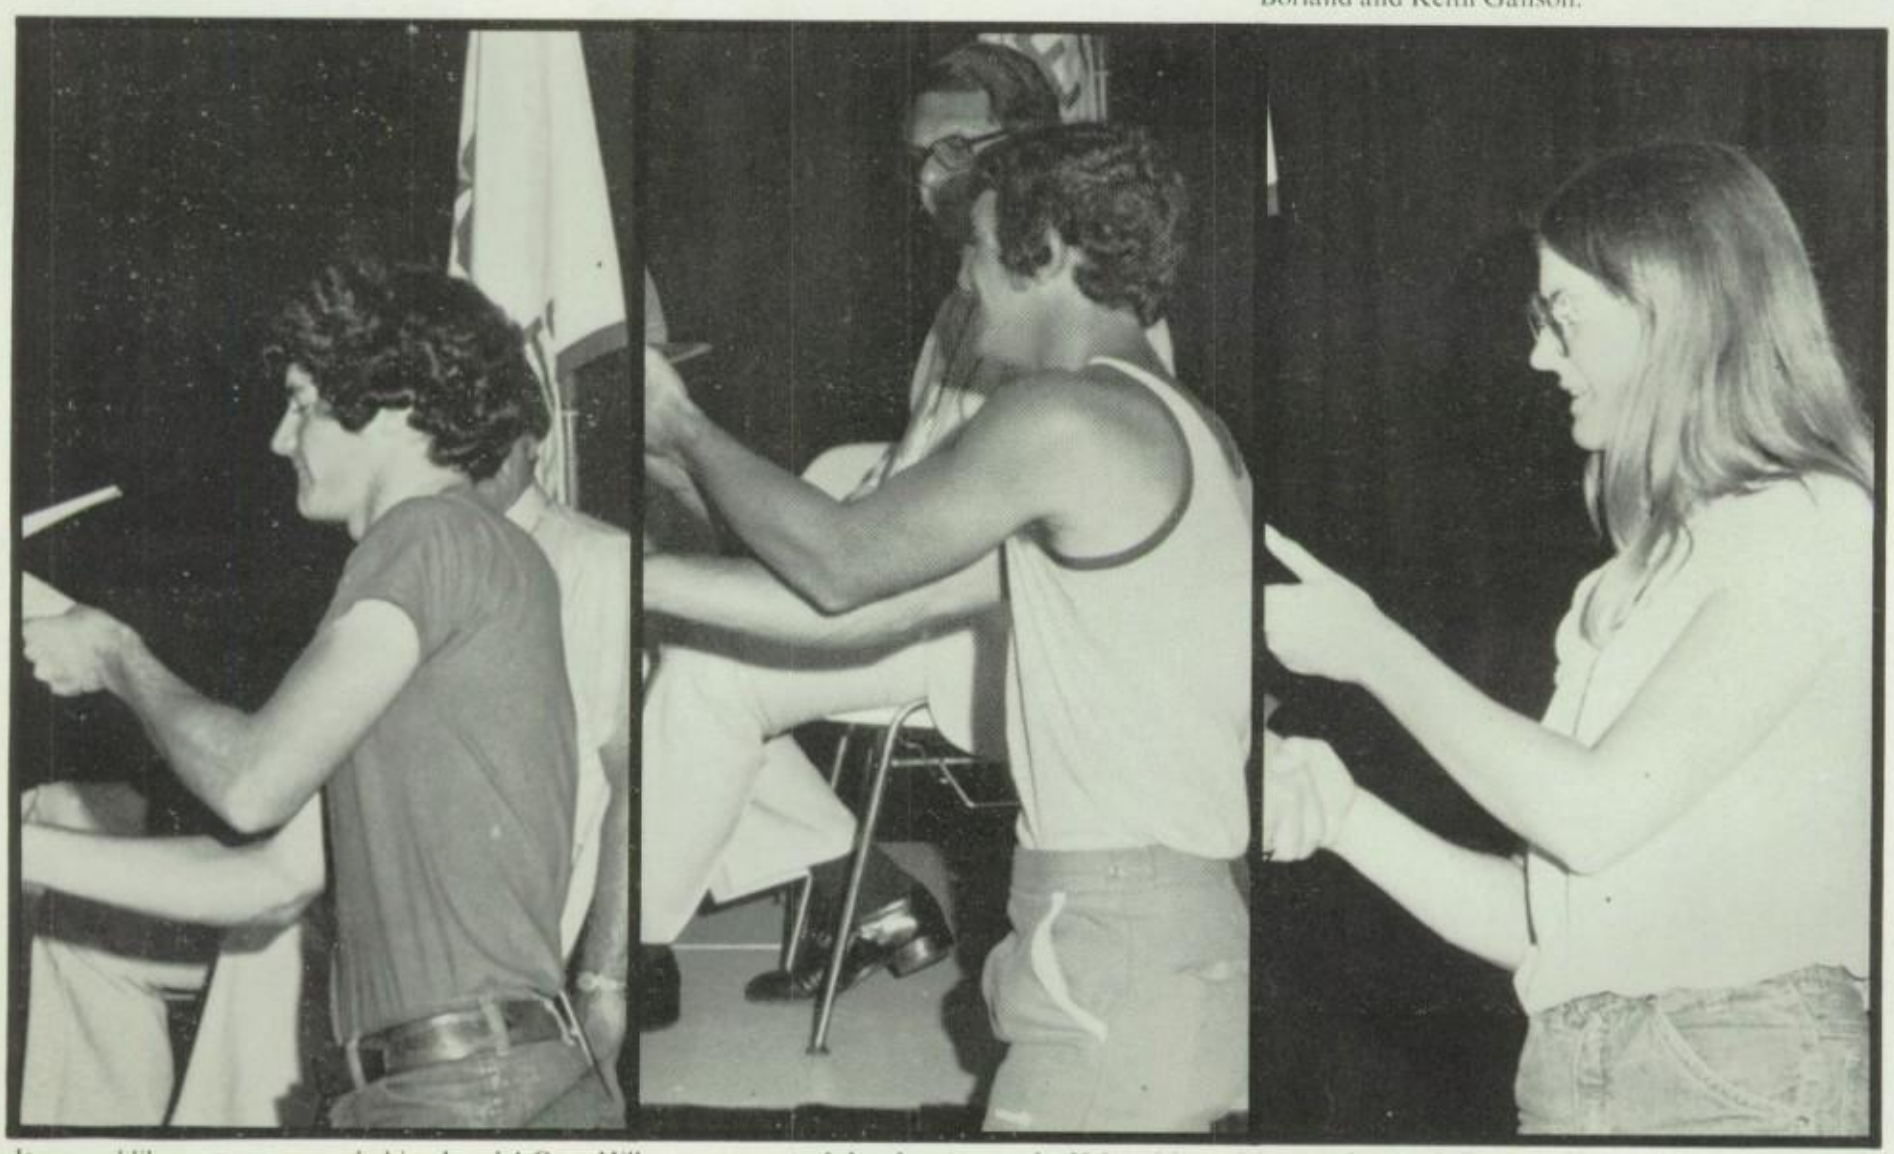
Anne Graves received the Distinguished Musicians Certificate by the U.S. Marines Youth Foundation.

One Last Applause for Seniors



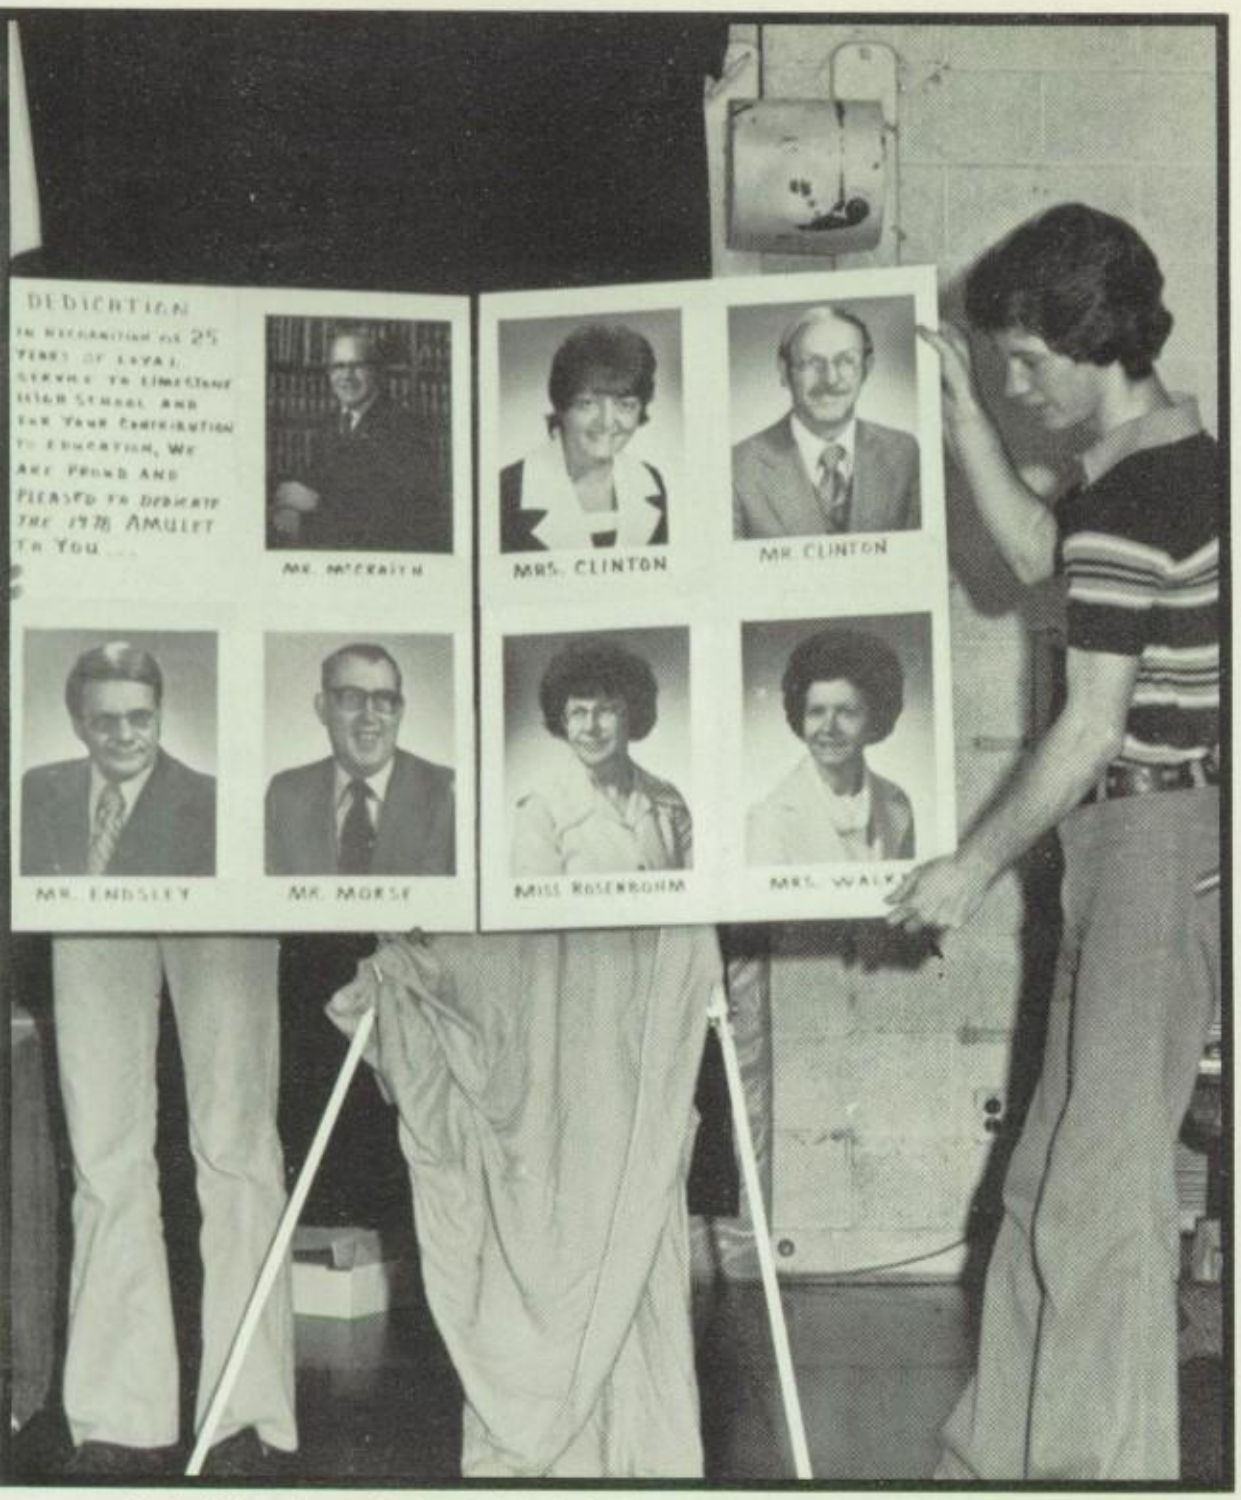
The seniors spent their last day clowning around and enjoying being together.

The "most valuable" possessions of the boy's track team: Keith Borland and Keith Ganson.



It seemed like everyone was shaking hands! Greg Hill was announced the alternate to the Velma Meyer Memorial Award. Tommy Closen received a baseball award, and Dona Cunningham received an award for Top Ten students. Awards were given out in all areas at the Honors Day assembly.

Twenty-five Years of Dedication



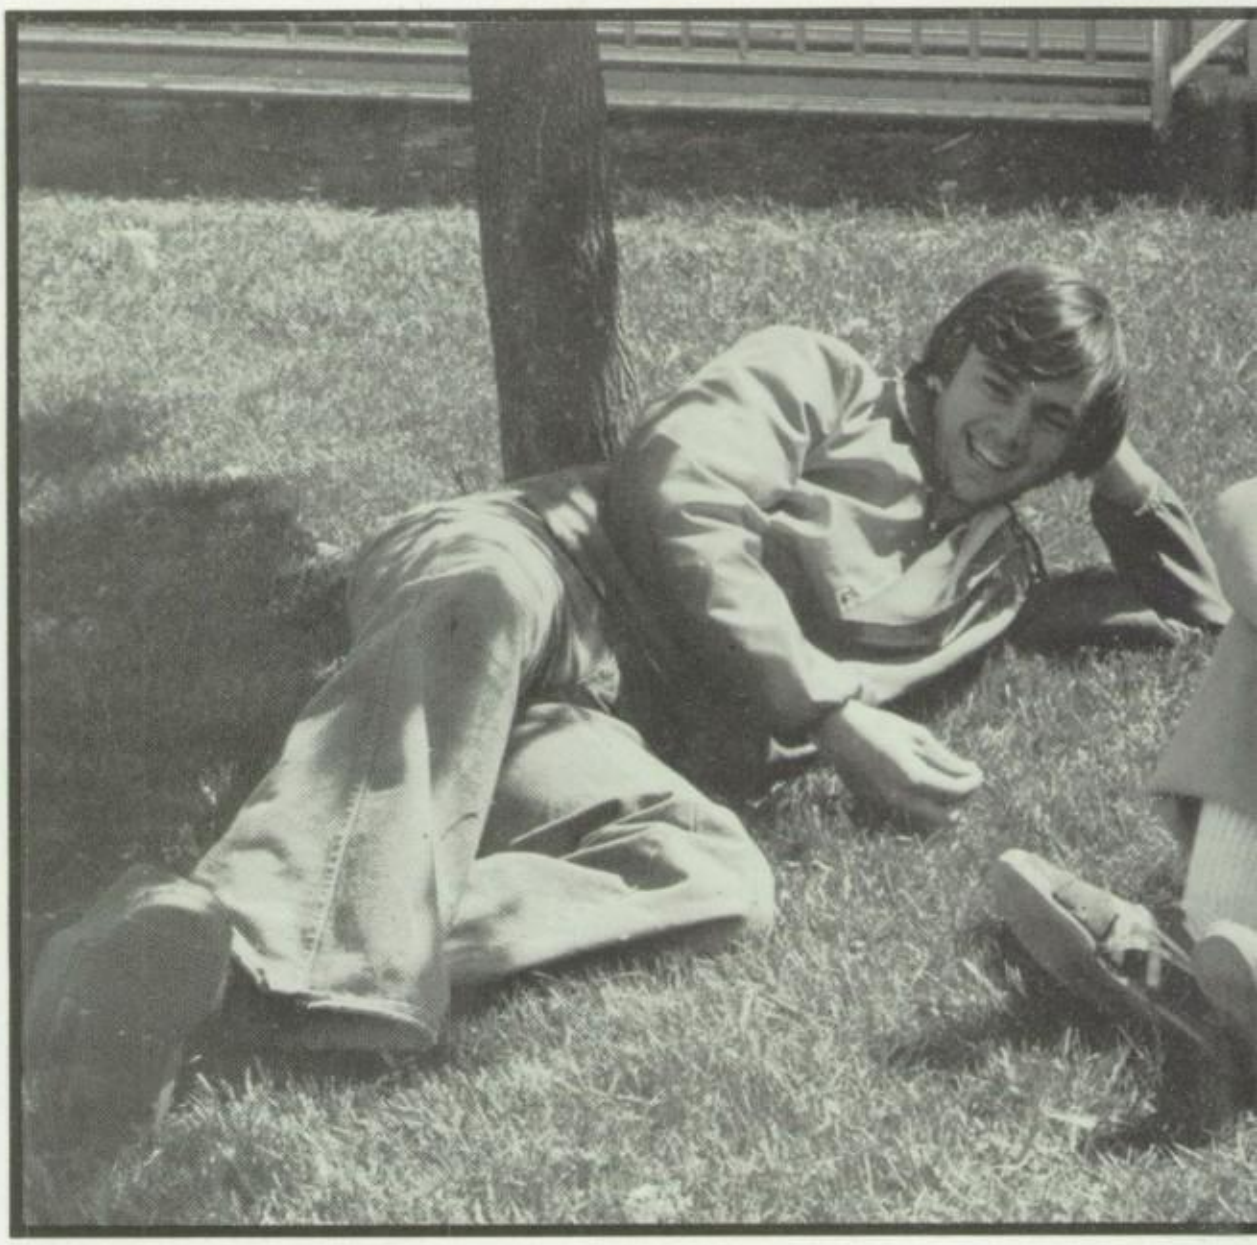
Kevin Wilmoth reveals the *AMULET* decision for the dedication of this year's book.

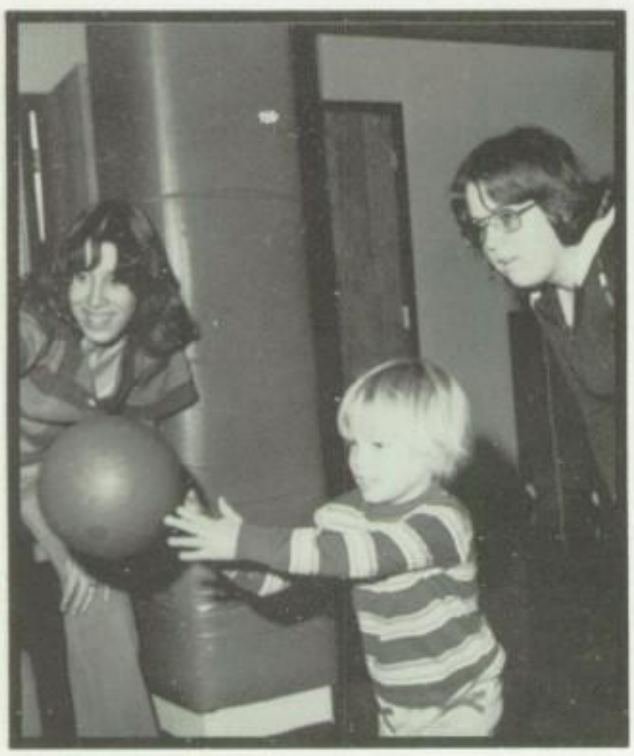
Mr. McCraith speaks of his twenty-five years at Limestone while fellow "twenty-fifth anniversary teachers" look on.

Mr. Endsley holds up the AMULET's presentation to the school — the portrait of L. D. Murray, Limestone's first superintendent.

Friends gather around Mary Miller to admire her trophy, the American Legion Athletic Award.

Activities Are Happening





No matter where you look, something is always happening. People are getting involved — doing their own thing. Someone is playing, and someone is resting. Someone is talking, and someone is listening. Someone is creating, and someone is learning. Some are just sitting back and taking it easy. This page is dedicated to the simple activities that go on at school. Like quite moments that may not be remembered in the years to come like how hard you were running at practice, and how good it was to stop for a rest. Remember the feeling of finally getting your term paper turned in? Friends were always there beside you sharing the good times, the laughs, the discoveries, and those moments where no one had to say a word. These are important moments because through them all — someone is growing.

After winning the all game conference rushing title for 1,207 yards, Tom Closen became the first Limestone gridder to break the 1,000 yard mark. Tom earned the position of running back on the first string 1977-78 All-Conference Mid-State Nine football team. He also received most valuable back award for the Limestone squad and most valuable fall athlete. Tom, along with Jerry Briggs, was voted most valuable player in the Homecoming game.

Rockets Rewrite Record Books

THE 1977 FOOTBALL COACHING STAFF: Coach Beach, Coach Dufelmeier, Coach Drach, Coach Koeppel, and Coach Hill.

Guided by Coach Drach, and fired up for the new season, the 1977 varsity team was dedicated to victory. The Rockets came back from four early-season losses to win five consecutive games for a spectacular season finale. The gridders should be commended for stringing five in a row for the first time in Limestone history and for sharing a tie for second in the Conference standings — their best ranking since 1966. The Rockets were subjected to cold rainy Fridays during the first half of the season, but after blanking Richwoods 6-0 they started their hot streak that wouldn't quit despite conditions — proving that "DEFEAT IS NOT FINAL UNTIL YOU QUIT," and in that respect the 1977 teams were undefeated.

The team celebrates their winning season after defeating Woodruff at Peoria Stadium.

1977 was a good year for the Sophomore Football Squad. The cool Saturday-morning team completed their 25th season with an outstanding record of nine wins and one loss falling only to Manual 18-8. This gave Limestone a second place ranking in the Mid-State Nine Sophomore standings. This season the sophomores averaged 31.4 points a game while their opponents only managed to score an average 9.8 points. Many sophomores dressed for or played in Varsity games.

The Freshman Football Team didn't play their games like a squad of rookies, but showed talent while compiling their season record of seven wins and three losses. With the experience gained this year under the direction of Coach Schmitt and Coach Novell, they hope to be even better next year as sophomores.

By the very nature of the sport, "unique" might best describe this year's cross country team. Although no school records were set for consecutive victories, the 1977 Cross Country team proudly posted a winning season of 7-6.

Because of a tie vote, co-captains were elected. They were Roy Sorce, senior, and Bill Moyers, junior. Roy consistantly finished first for the Rockets in every dual meet and was voted Most Valuable Runner by the team. Roy was also the winner of the Callear Memorial Award. This is an honor awarded to a four year cross country runner for best performance, dedication and attitude.

The team this year consisted of seven seniors, five juniors, four sophomores, and four freshmen. For these twenty runners, the 1977 Cross Country season will be long remembered. This team, through the self-improvement of each individual runner, proved that they were winners.

Congratulations to Coach Zaeske and the team for another fine season.

Record 16-10

After a disappointing opening of four straight losses, this year's team finally pulled together to rack up a seven game winning streak, then managed to win ten out of their last thirteen games, to wind up the season with a 10-6 conference and 16-10 overall record.

The 1977-78 Varsity squad was the best shooting team in Limestone history with an impressive 50% average.

Although the Rockets played well in most of their games, the highlight of the season was the heated and emotional game in the Regional Tournament when the Rockets defeated the Rams 53-52.

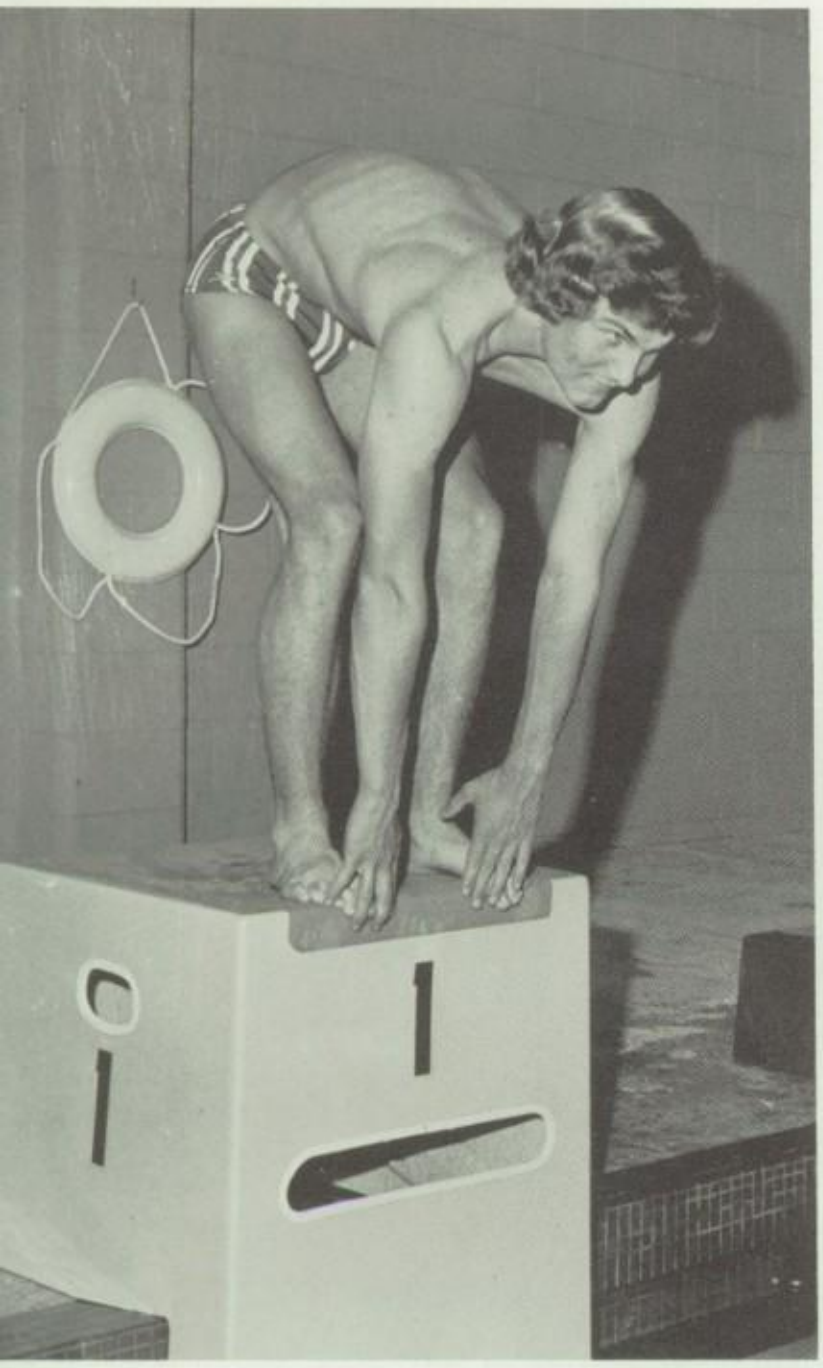
*CONFERENCE MEET (RECORD 4-3)
SEASON RECORD 6-5

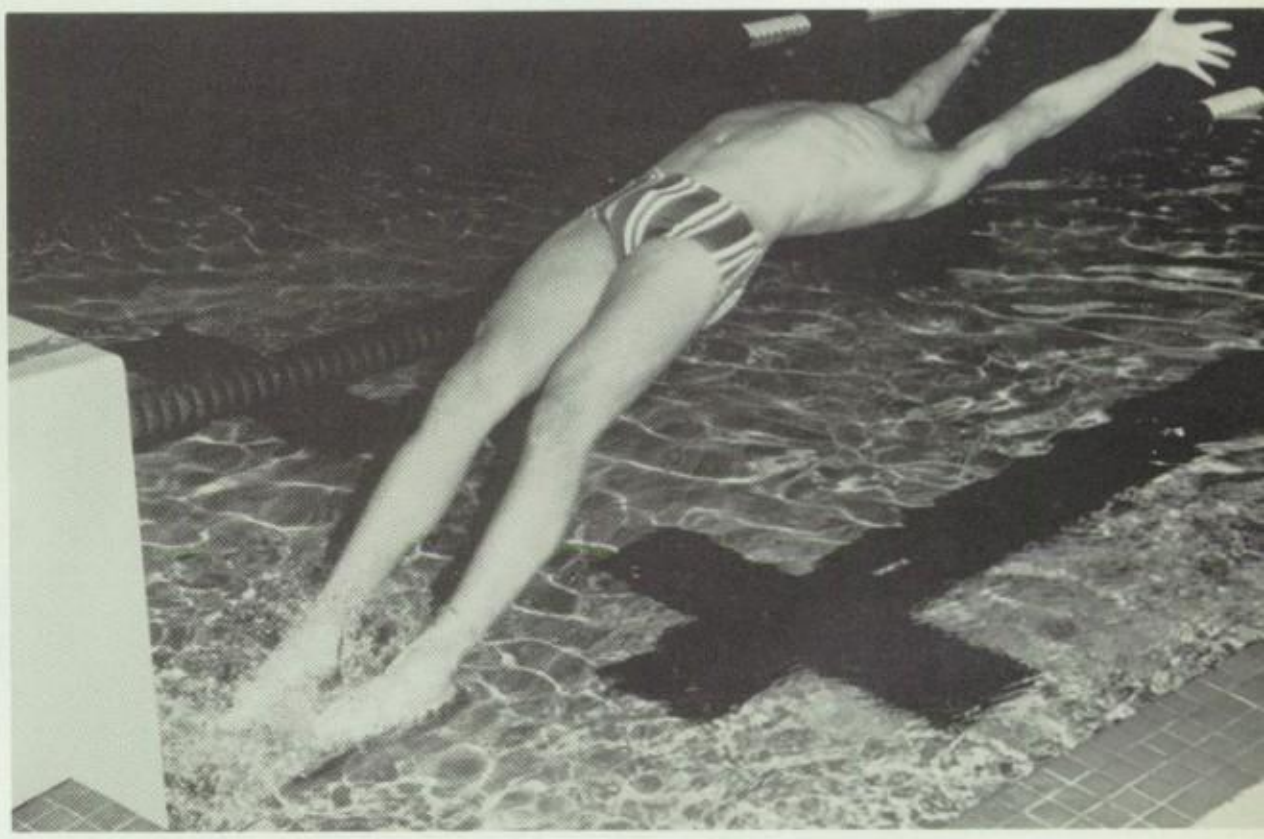
George Melloy, a three-season swimmer, was valuable in the 100 Yd. Breastroke event.

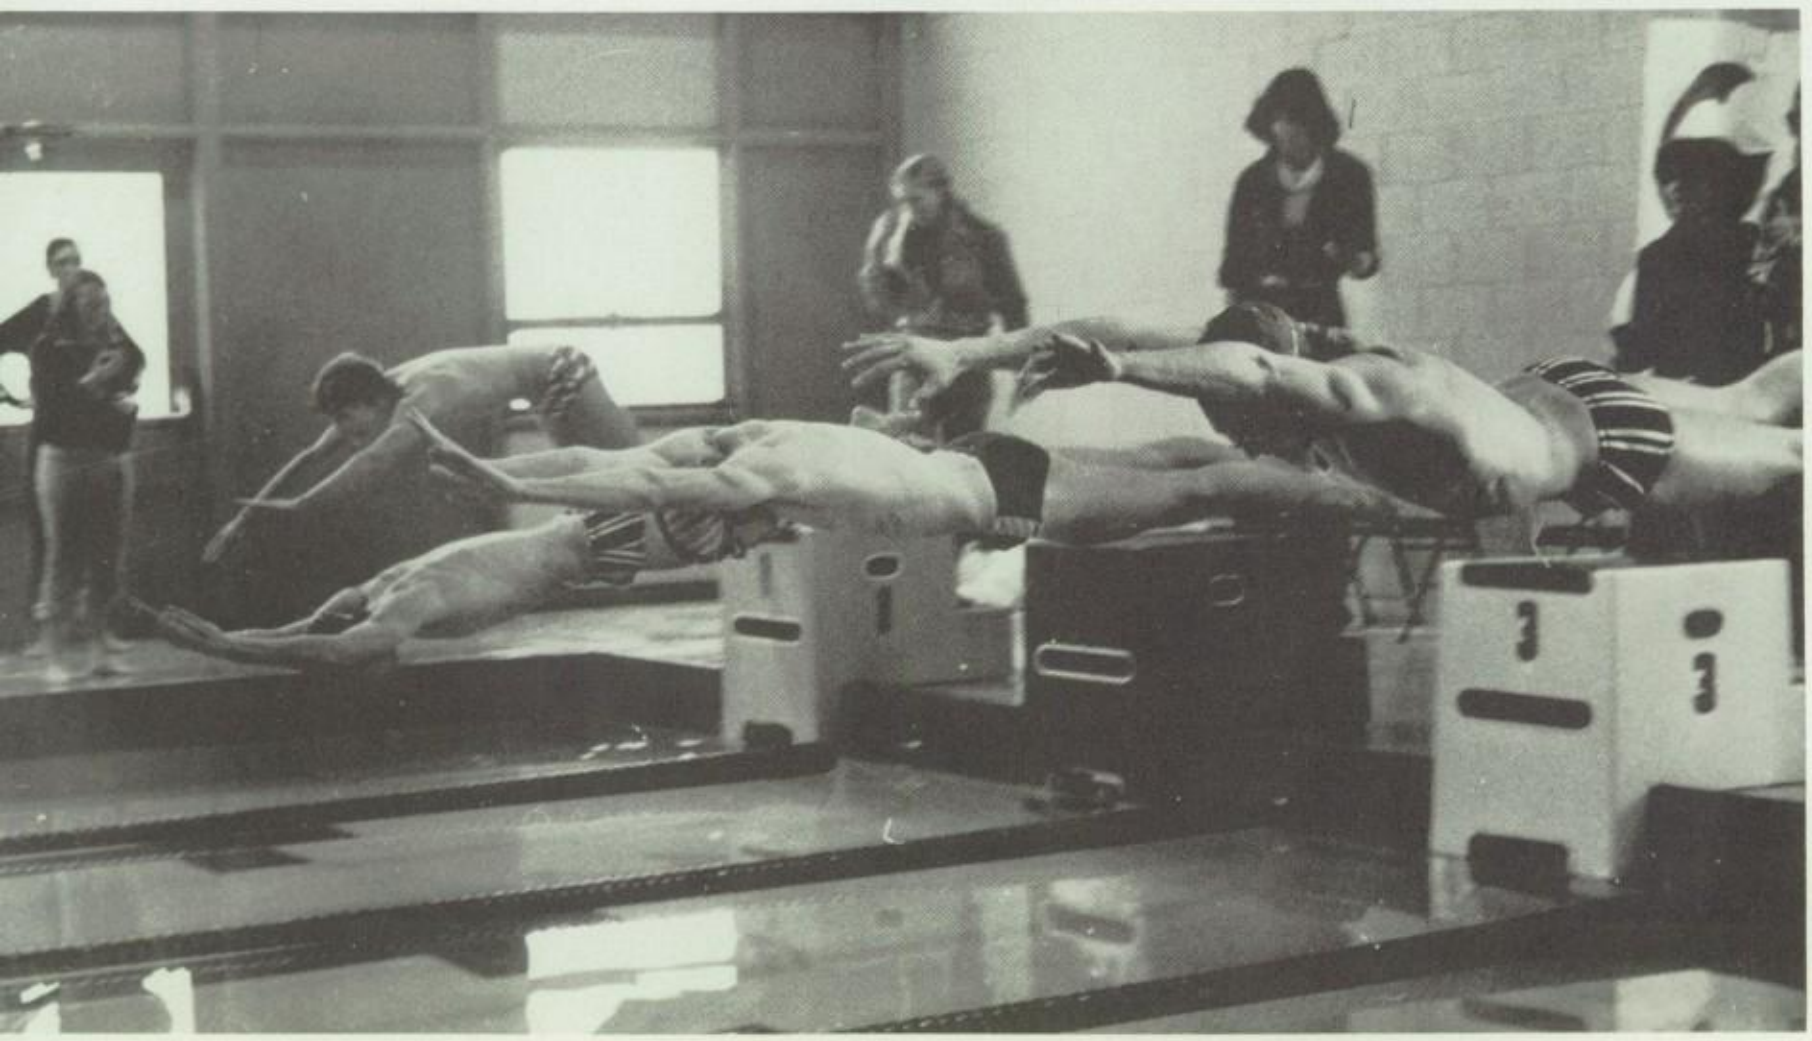
Tie for Fourth in Conference



ove, Senior John Marter, participated four seasons as did Senior, Tim
itag, right. Tim was also Team Captain.

The 1977-78 swimmers did exceptionally well for their fourth season. School records were broken twenty-six times in eight events and winning records were established in both conference and season tallies. This season, for the first time, the Rockets had more depth in many events and several meets were won because of first and third, and second and third place finishes. Limestone's "home" pool is Hollis Grade School, which lacks adequate facilities to hold or practice for the diving event. Many times this year the Rockets were forced to forfeit first, second, and third place in diving competition. However, the swimmers still won in spite of spotting their opponents four to thirteen points. The team effort this year was commendable, but special congratulations are in order. One of the team's finest freestylers, Junior DuWee Engstrom, was awarded both Most Improved and Most Valuable Swimmer awards.





Tim Freitag and DuWee Engstrom are off to a good start in the fifty-yard freestyle.

Varsity Track
A Touch of Pride

John Lofthouse is valuable in the high and low hurdles.

Roy Sorce still holds the school record in the 880.

Bill Moyers was a relay man, 440, 880, and mile runner.

Eric Hidden threw the shot and discus.

1977-78 Boys Track

This year's Cindermen had a bad year, from the statistical point of view, finishing the season with an 0-9 record. However, most of the team, as individuals, had a much better season than the records indicated. The Rockets practiced hard at stair laps, whistle drills, sprints, and calisthenics. They ran hard in actual competition, too. With all the dedicated effort and hard work the trackmen were rewarded with a winless season. They accepted each loss with dignity, but came away with the gain that only self-betterment and a touch of pride can give you.

Alan Maricle also threw the shot and discus.

Keith Borland, team captain and Co-MVP.

Ganson Makes State, Again

Junior Keith Ganson holds the school record for high jump for 6 feet and 6¼ inches. He qualified for state his second consective year and placed ninth in this year's competition. Keith was also voted co-most valuable player for the 1978 season.

Happy in that we have seen our Rockets, through hard work and team dedication, improve so much. We would like to thank all of you for your support, and urge everyone to back all our school teams — win or lose. We should all be proud to be Limestone Rockets yesterday, today, and forever.

Good luck,

Sophomores Actively Participate

Julie Wetterauer and Chris Dismang work on the Sophomore float.

The Sophomores completed another successful year with two fund-raising activities. They sold candy bars in December and held a big dance in January. The money raised from these events is going to help finance the Junior Prom for the class of 1980.

Spirit Week was an exciting week for the Sophomores. With the help of the boys winning the tug-of-war competition, our own Eric Sutter coming in a big 2nd place in the Bubble-Blowing Contest, and winning 2nd in the Spirit Chain competition, the Sophomores won the Spirit Paddle!

Class officers for the 1977-78 year were: Becky Behm; Vice-President, Sue Williams; Treasurer, Caroline Jordan; Secretary, Deb Pruitt. The class was aided in its efforts by Mrs. Buchna, Mr. Camp, and Mrs. Fairbanks.

Looking back on its achievements, the class of '79 has had a very successful year. They received a third place in the homecoming skit and won first place in the float competition. Bake sales were held throughout the year and a major candy sale was held in October. The profits would assure an outstanding prom. The Juniors also collected the most canned goods during Care Week for the Thanksgiving baskets and received $100 for their treasury from the Student Council.

"This One's For You," was the winning theme for the Junior Prom which was held at the Peoria Hilton. The atmosphere was set by the exciting musical group Hot Springs.

The Class of 1979 is anxiously awaiting the arrival of "seniormania."

The Junior Way

This One's For You

A beautiful bouquet, boutonniere, and program preserved forever as a souvenir of a lovely evening.

The Junior Prom theme for 1978 was proudly acclaimed "THIS ONE'S FOR YOU."

The prom was held in the Cotillion room at the Peoria Hilton on April 29, 1978, at 6:30 p.m.

The evening began with a steak dinner followed by the crowning of the Queen and King promptly at 9:30 p.m. Couples enjoyed dancing the rest of the evening with music provided by Hot Springs. The memorable and very successful affair ended at 11:00 p.m. as tired couples slowly departed for house parties, midnight movies, and early breakfasts, etc.

Advisors for the prom were Mrs. Freitag, Mr. Matthewson, Mrs. Blair and Mrs. Combites.

Queen Connie Davis is crowned and her escort Gary Cook is declared king and presented with a stine.

The Class of '78 ended its high school days in the midst of the 25th Anniversary Celebration. This year again we triumphed at the Variety Show. Seniors won it hands down with the hilarious *Camelot*. Our float didn't do as well, but it was a nice gesture with "Happy Anniversary, Rockets." Cami Gabelhausen was chosen Homecoming Queen and Carol Rapp was the Senior Attendant. The well-known group called the Rowdies, kept our spirits flying through the football, basketball, and baseball seasons. During Spirit Week, Seniors won the Spirit Chain; John Mammen reigned as "Twirp King." Rich Parr and Anne Graves held the honor of Valedictorian. Our advisors were Mrs. McNeeley, Mr. Wittmer, Mrs. Johnson, and Mr. Burlison. Our class was led by Mike Parker, Andrea Simmons, Carl Williams, and Mike Monroe.

Rich Parr, Mike Parker, and Becky Ericson already look hot as they waited to go into the gym. The heat kept most people except proud parents, from crowding the gym.

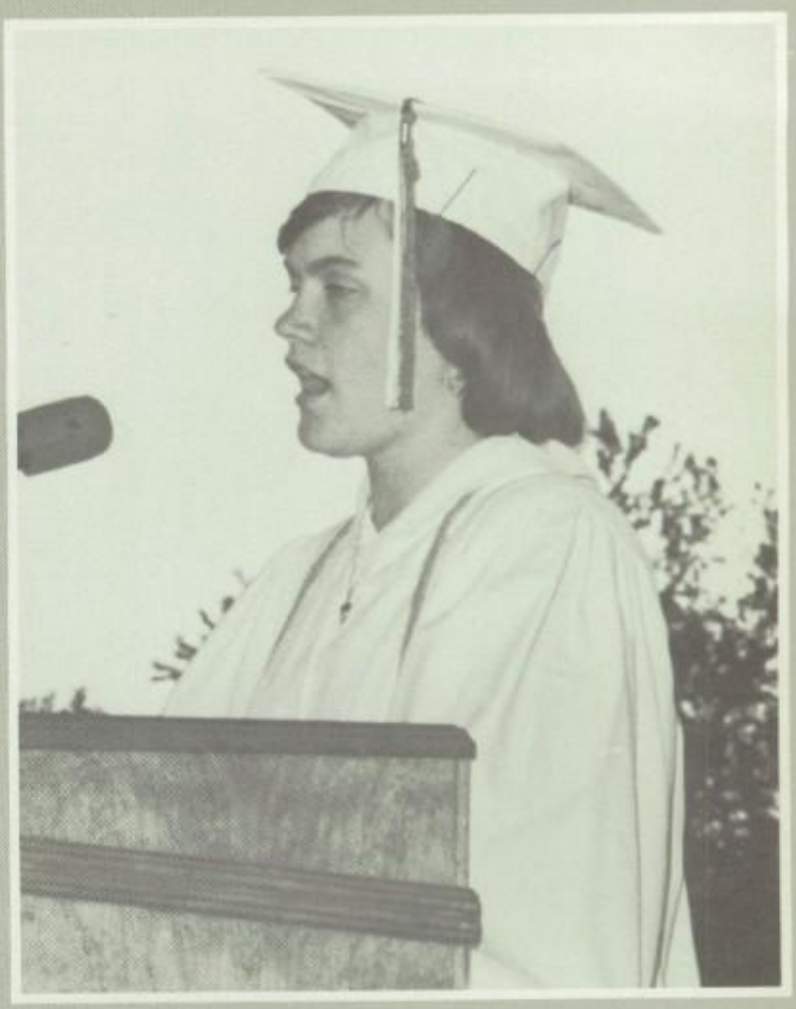
At the Senior Tea, everyone posed for this dignified, elegant picture, to remember themselves by . . .

And got caught off guard for this dignified, elegant picture, the one that we'll remember them by.

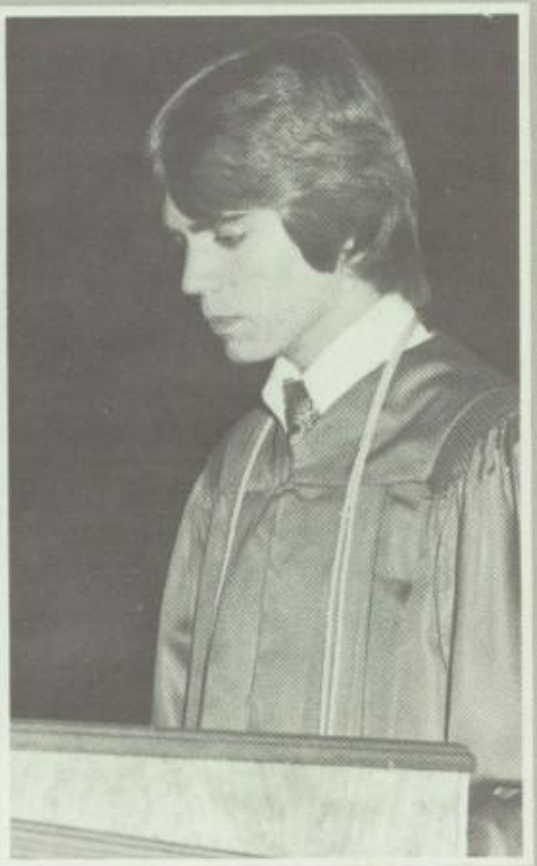
The 25th Year is the 1st Outside

Lori Harshbarger gave her speech for graduation, in the midst of this perfect backdrop.



Renee Graves also gave a meaningful speech, and told us, "Ask not what you can do for your country . . ."

Carol Rapp spoke of the feelings we share as we leave in her Farewell speech.



Dennis Hattermann spoke the final words of the Benediction.

Also for the first time, the band played for the commencement exercises.

Becky Ericson gave the Invocation, and everyone bowed their heads in prayer and thanksgiving.

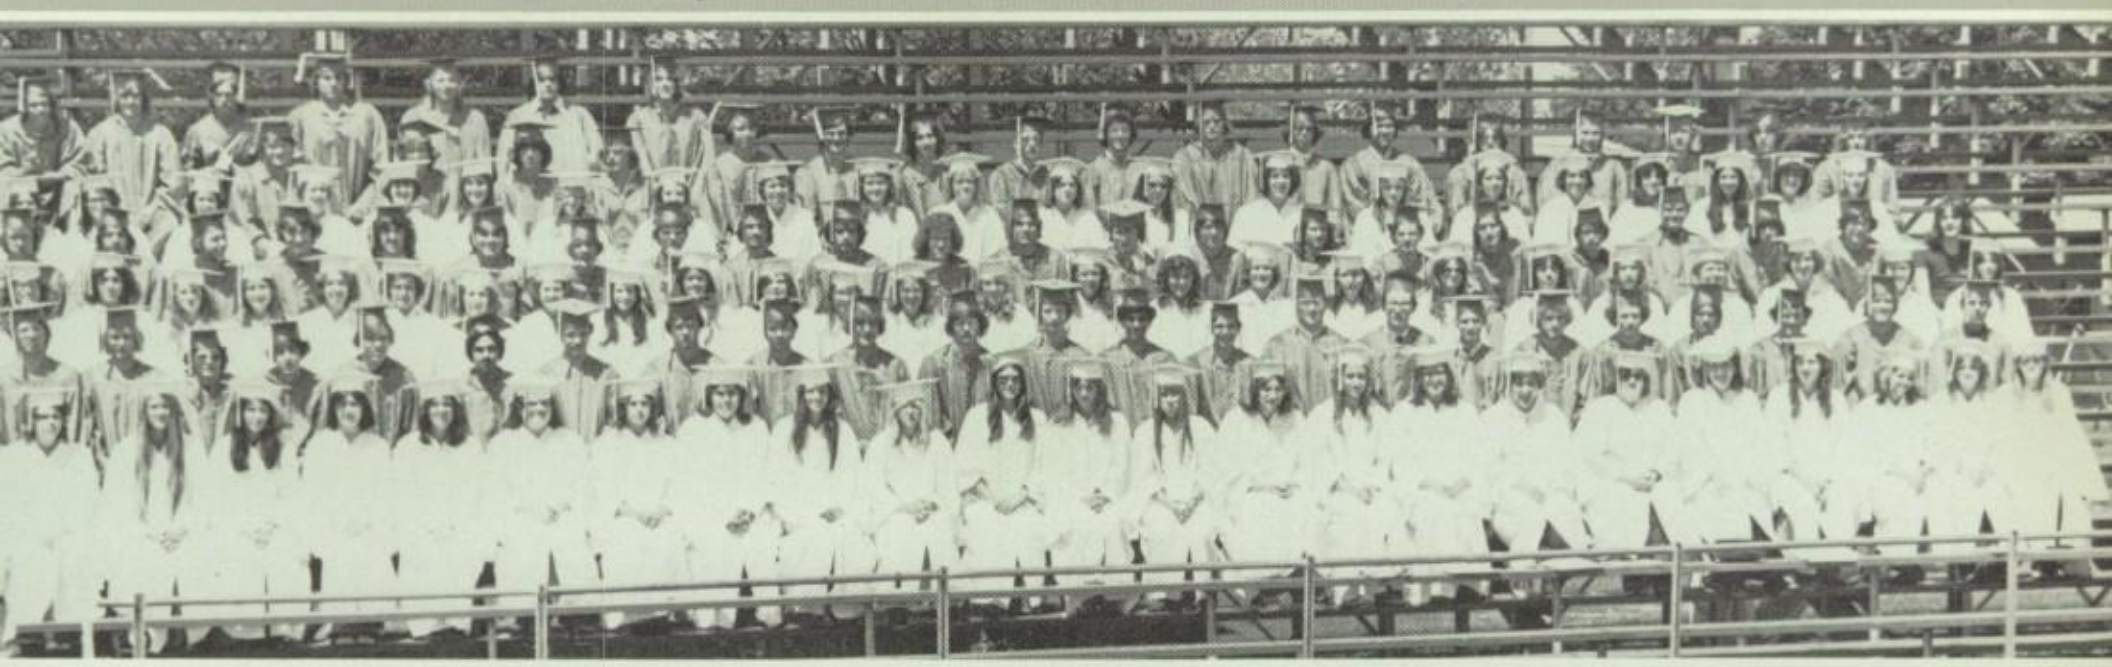
Limestone High School

Mike Parker reads the names as Board President Doc Yeley hands Kevin Wilmoth his diploma.

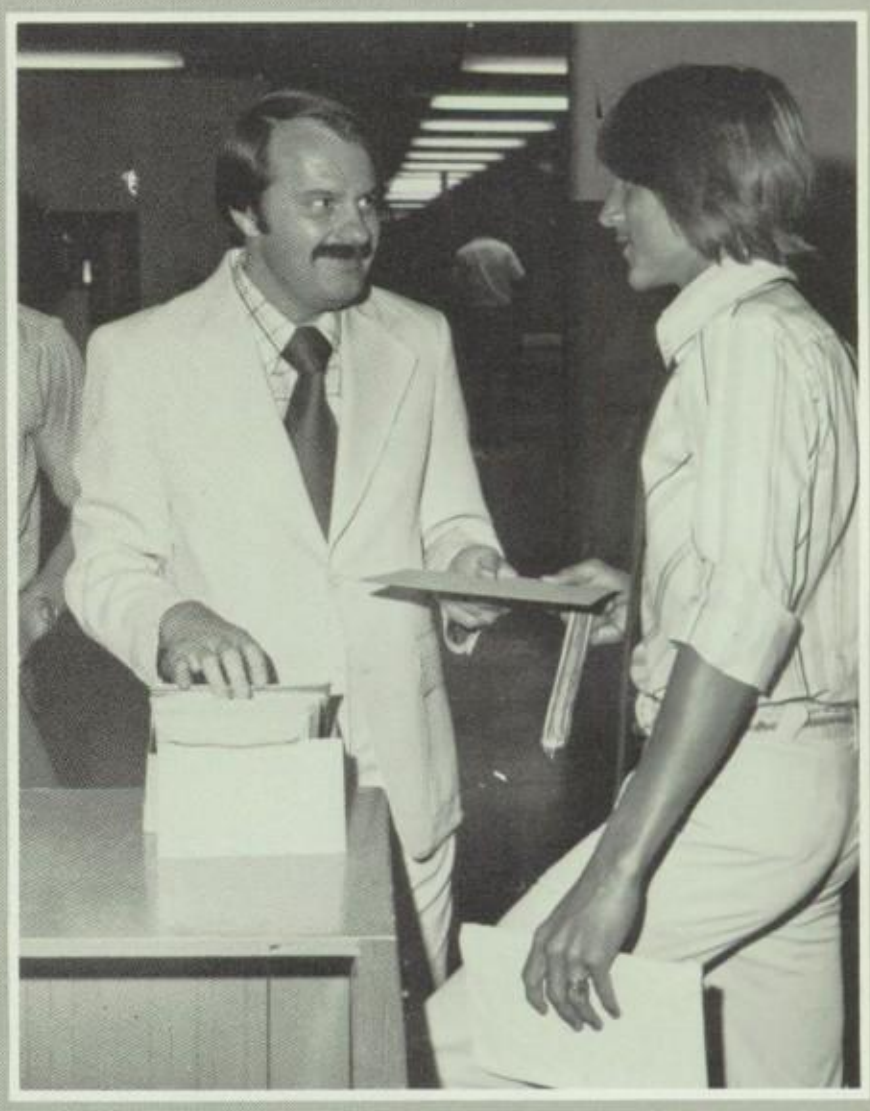
Julie Parker and Teri Ingram exchange gifts at the Senior Tea.

Following Mike Parker's lead, everyone changes their tassel to become the graduating Class of 1978.

25th Anniversary Class



l Williams looks on as his mother kisses John Mammen and Cecilia is congratulated
her father.



Steve Marchand was one of the first to get his diploma from Mr. Johnson.

thy Hoben, Mark Franciscovich, Dennis Hattermann, Joanne Mauermann, Joe Abra-
n, David Allison, and Rich Parr eagerly open their diplomas upon entering the school.

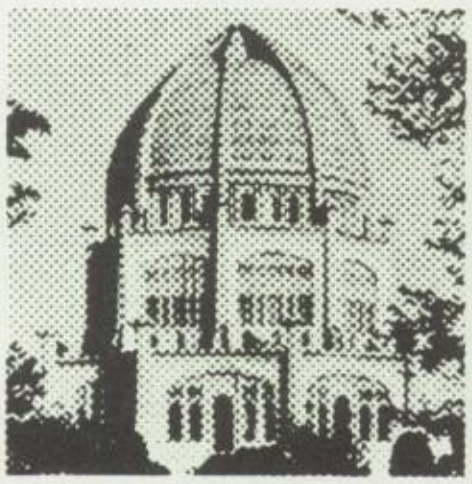
A new way to bring people together: the Bahá'í Faith



The purpose of religion is to create unity

Many Americans are beginning to realize that unity among the peoples of the world has become a necessity.

And religion should be a cause of unity.

Unity of the human family has always been the highest goal of religion. All the Prophets and Messengers of God have taught mankind to love one another.

The purpose of the Bahá'í Faith is to create unity among the races and nations of the world.

"Religion," the Baha'i Writings say, "should unite all hearts and cause all wars and disputes to vanish from the face of the earth, give birth to spirituality, and bring life and light to each heart."

Bahá'ís in more than 300 countries and territories of the world are working systematically to bring people of every nation, race and culture into one unified family. They are building communities that are enriched by cultural and racial differences and that draw strength from diversity.
